THE GREAT CALIFORNIA GARAGE SALE

PURCHASING INSTRUCTIONS

Welcome to the Great California Garage Sale! This will help you quickly make your purchases today. If you have any questions, please contact any member of our staff identified with badges. Just follow these simple steps to complete your purchase:

1. Pick up a clipboard from one of the Great CA Garage Sale greeters. The clipboard will have a Sales Form that you will carry around the sales floor with you. Please fill out appropriate information at the top of the Form.
2. When you want to purchase an item, peel off the barcode portion of the yellow sticker that is attached to the item. Place this barcode on your Sales Form. Items on the small item table will be placed behind the table after you remove the barcode.
3. When you are done shopping, proceed to the cashier line to pay for your items. After you pay for your items will be given a receipt and sold stickers.
4. Write your name on the sold sticker as it appears on your receipt. Place your sold stickers on any of the items that you cannot immediately take out with you. This will enable staff members to identify which items belong to you while they help you load your items.
5. To retrieve your item, show a copy of your receipt to a staff member behind the table. Staff will mark your receipt when you pick up the small items that you have purchased.
6. To receive your large items, you will need a receipt and a color coded pass to get your vehicle through the controlled street access point at the corner of National Drive and Sierra Point. You will be directed by traffic controllers to the back of the warehouse for assistance at the loading area.
